LOAN PERIODS AND SERVICE FEES

agency in addition to having his/her card blocked for service. At this time the Account Servicing Fee will be added to the patron's account.

11. INTERLIBRARY LOAN

- a. Patrons wishing to borrow an item from an in-state library will not be charged transportation costs.
- b. If a patron's item can only be found in a library outside of the state and the lending library charges for postage, this charge will be passed along to the patron. The Antioch Public Library District will notify the patron of the amount of this charge before the item is shipped for the patron's final decision.
- c. If an out of state library wishes to borrow one of our items for their patrons, then a fee of \$4.00 per item will be charged for postage to mail the item to the requesting library. (Since postage may determine final acceptance of the item, a flat fee is preferable to the actual postage.)
- d. Lending fees charged by the lending library are passed on to the patron after getting patron's approval.
