

# The Garden Walk

The APLD Garden Walk is an addition to the current renovation and expansion project. The path is designed to run the width of the west side of the building along Main St. This project will include a pathway, benches and landscaping that will present as a park adjacent to the Library building. The area will provide for casual gatherings, small Library programs, and respite for walkers and bikers. When finished the garden walk will also add to the attraction of the downtown area for those traveling along Main St. (Route 83).

## How to make a Donation:

All monetary donations for garden walk sponsorships can be made online through the APLD website at [www.apld.info](http://www.apld.info) or mail.

\*Indicate number of items in boxes.

## Pave the Walkway:
