

Rules for Considerate Library Use

(Rules of Behavior)

The Antioch Public Library District believes that patrons of the library have the right to use library materials and services without being disturbed or impeded by other library users; that patrons and staff have the right to a secure and comfortable environment; and that patrons and staff have the right to materials and facilities that are in good condition. We are committed to quality service for the community.

Please remember that considerate use includes:

Talking in moderate tones

Walking while in the library

Supervising young children at all times

Treating staff, other patrons and property in a respectful manner

Please see any public desk for a full copy of our Rules of Behavior.

Thank you,

Antioch Public Library District
